For The Glory of God

MESSAGE

The Internet has brought about a revelation in communication. It is putting people in direct contact with source of information in ways that were never before possible, and it has added ease and convenience to many of the activities of daily living. The Internet serves the Church community as an easy tool for effective education and communication. Hence the Apostolic Exarchate for the Syro-Malabar Catholics in Canada encourages each of its parishes to consider creating a parish website.

I am so delighted to know that St. Joseph's Syro-Malabar Catholic Church, Montreal is planning to launch a new website for the parish. This is a significant milestone in the faith journey of the rapidly growing community in Montreal under the efficient leadership of Rev. Fr. Jomon Kalladanthiyil CSC, the Vicar.

The relevance of the website to spread the Good News is beyond words. It is a primary means of communication between the various parochial representatives and organizations and the members of the parish family. It is intended to keep the parishioners informed the current and future activities within the parish and the Exarchate. My heartfelt congratulations to Rev. Fr. Vicar, Design & Development experts and all those who have actively involved in this noble venture!

In this auspicious occasion, my prayer is that may St. Joseph, the patron Saint help you to convert all your dreams into reality; and you become beacon of faith and hope for all our fellow immigrants!

Invoking God's abundant blessings on each one of you

Yours sincerely in Christ,

+ Bishop Jose Kalluvilil
Apostolic Exarch of the Syro-Malabar Catholics in Canada
